One campus, infinite experiences...

Rivers have been a focal area of human activity throughout history.

Historically, the world's most sought-after and exclusive residences have always been located on the edges of rivers. They have been the most desirable neighborhoods to live in, pulsating with vibrant city life and activity.

Casa Rivera, rising automatically above Surat's skyline, is a shimmering tower that transcends every definition of luxury living; offering the pleasure of waking up to the twitter of birds, and watching the sun rise and set over the holy Tapi right through their windows.

With a variety of moods and expressions, and a vast range of scales beginning from a wide maidan to intimate spaces, the serene haven is imbued with experiences that will enrich every moment of your life.
